1	Para- [A]: 132/33 KV SUB-STATION WORK(for nos. of projects clubbed together to make one package): 5.1.1 The Bidder should have Designed, Constructed (including civil foundation works), Tested & Commissioned minimum Two(2) Number of 110 KV or higher voltage class sub-stations each sub-station having minimum 03 (three) Nos. Bays on Turn-Key basis." The above works should have been completed during last 07 (seven) years and should be in successful operation for a minimum period of One (01) year reckoned from the date of opening of Techno-Commercial Bids.		
2	Para- [B]: 132 KV TRANSMISSION LINE WORK: 5.1.2 The bidder should have completed construction of Transmission line projects of 110 KV or, higher class, involving supply of materials, tower foundations, erection, stringing, testing and commissioning with a cumulative line length of not less than 50% (FIFTYPERCENT) (to be quantified against each package rounded off to the next whole No.) against each package and should have been completed during last 07 (Seven) years and should be in successful operation for a minimum period of One (01) year reckoned from the date of opening of Techno-Commercial Bids. (Turn-Key basis) OR 5.1.3 The bidder should have completed construction of Transmission line projects of 110 KV or, higher class, involving tower foundations, erection, stringing, testing and commissioning with a cumulative line length of not less than 75% (SEVENTY FIVE PERCENT) (to be quantified against each package rounded off to the next whole No.) against each package and should have been completed during last 07 (Seven) years and should be in successful operation for a minimum period of One (01) year reckoned from the date of opening of Techno-Commercial Bids. (Non –Turnkey basis)		
3	5.1.4 In addition to the above (5.1.1) or (5.1.3), the Bidder should have own tower manufacturing facility or should have access with Transmission line tower manufacturer for supply of tower materials. (Format of undertaking placed at Annexure-XVIII in Vol.-IA of bidding document).		
4	5.1.5 The Bidder either should have experience for the Piling works in Transmission Line or should have arrangement with an expert firm/contractor, who has adequate experience on piling works in Transmission Line and who can take up the piling work in Transmission as and when required and to that effect the Bidder has to give an undertaking from the firm/contractor along with all relevant document in support of experience and its capacity and capability in execution of piling work in Transmission Line. (Format of undertaking placed at Annexure-XXIV in Vol.-IA of bidding document). (Applicable, where piling work is involved).		
5	5.1.6 In addition to the above Technical QR, the bidder should be a HT/EHT electrical contractor having a valid license from the competent licensing authority on the date of submission and opening of the tender.		

6	<p>NOTE: 1 (A) Qualifying Requirement relating to work experience to be submitted as per below. (i) If the work executed as main contractor to the principal employer, then a work completion certificate as well as a certificate regarding satisfactory operation of the installation for One (01) year from the date of commissioning should be submitted duly issued by the Principal employer. (ii) In case the work executed as sub-contractor to the main contractor of the Principal Employer, then a work completion certificate from the main contractor and a certificate that the same installation have been in satisfactory operation for more than One (01) year from the date of commissioning should be submitted duly issued by the Principal Employer. However, if the main contractor is a CPSU/SPSU then they can issue both the certificates.</p> <p>NOTE: 2 > Bidder shall upload the following legible scanned copy of the original documents in support of meeting Technical QR for substation / transmission line (Minimum Qualifying requirement). > The credentials furnished by the Bidder shall be written in the English language, provided that any printed literature furnished by the Bidder may be written in another language so long as accompanied by an English translation of its pertinent passages duly notarized. This will help OPTCL for quick & proper evaluation of the bid. Failure to comply with this may disqualify a bid. For the purposes of interpretation of the bid, the English translation shall govern.</p> <p>** Upload the following legible scanned copy of the original documents in support of meeting Technical QR: a. The relevant work order (comprising of detailed bill of quantity for supply, erection & civil works). b. The relevant Commissioning certificate (substation, Line, bay extension work) issued by the competent authority as indicated under NOTE:1 above in official letter head with no. and date, clearly indicating the date of commissioning c. The relevant Performance certificate issued by the competent authority (as indicated under</p>		
7	<p>5.5: BID CAPACITY :As per Tender specification Clause No.30, Bid capacity, Vol-I, the bidders are required to furnish the current contract commitment/works in progress in FIN-No.3 for the ongoing works undertaken by you. Furnish the FIN-No.3 indicating the current commitment with the self undertaking in a non judicial stamp paper worth Rs. 100/- (Rupees One hundred only) that "The above declaration relating to current contract commitment/works in progress is true as on date & if any deviation to the declaration is noticed afterwards the bid/the award of the contract is liable for rejection and the EMD BG/Performance BG is liable for encashment. Action as deemed fit may also be initiated by OPTCL". Yes/No</p>		
(i)	Whether FIN No 1, FIN No 2 & FIN No 3 is furnished (Indicate YES / NO)		
(ii)	Whether the undertaking relating to authenticity of declaration in format FIN NO 1,2& 3 are furnished(Indicate YES/NO)		
(iii)	Available bid capacity(Indicate in INR)		
8	<p>Cl Vol-I: 9.0: Unsatisfactory performance of a bidder with respect to orders/jobs executed by them in the past in OPTCL, Orissa.If the performance of any bidder is seen not satisfactory with respect to orders/ jobs executed by them in the past seven years in OPTCL, the bid from such bidder shall not be considered for evaluation. The decision as to the unsatisfactory performance of a bidder shall be taken by OPTCL and the same shall be final.</p>		
	5.3: Whether You are debarred from participating in OPTCL tenders basing upon the PERFROMANCE RATING(Indicate YES / NO)		
FINANCIAL CRITERIA			
9	Clause No 5.4 : Financial Criteria		
(i)	Clause 5.4(a), Minimum Average Turnover (MAAT)	Year	Amount (INR): 53.28 Crore
	(a) for Fin. Year		
	(b) for Fin. Year		
	(c) for Fin. Year		

	Average Turnover		
	Average Turnover (MAAT) as per QR		
	Annual turn over statement for last 05(five) years enclosed as (Indicate the pdf file)		
(ii)	Clause 5.4(b), Turn over Certificate: The bidder has to furnish the audited account certificate from the Chartered Accountant indicating " the above Turnover statement is excluding all income which are other than from project related works". (Indicate the pdf file reference)
