Dear Sirs,

The undersigned invites sealed tenders exclusively from the firms empaneled under the prevailing Rate Contract of OPTCL for Normal / Emergency Substation & Line Works, for execution of the works mentioned under subject on partial turnkey basis (i.e. a part of the material requirement is to be procured by the contracted firm from the approved vendors of OPTCL in addition to the erection works). Settlement of ROW disputes and payment towards compensation claims shall also be covered under the scope of the contract. The bidders are advised to refer to the tower schedule, profile drawing & land schedule available in the office of AGM(Elect), EHT (C) Division, Cuttack and make a site visit for assessment of scope of works as well as probable ROW issues.

The tenders shall be received up to 1 PM on 12.06.2013 and be opened at 3:30 PM on the same date in presence of the bidders or their authorized representatives.
