OFFICE ORDER

Whereas the issue of re-fixation / recast of inter-se-seniority of SC/ST officers promoted earlier vis-à-vis General candidates promoted later was under active consideration of the Government and the Corporation for quite some time in the past.

The inter-se-seniority between General / SEBC & SC / ST candidates in promotional posts was dealt with as per the Resolution No.10237 dated 20.03.2002 of GA Department, Government of Odisha. In compliance with the judgment of Hon'ble Supreme Court of India in the matter of Union of India vrs Virpul Singh Chouhan as well as judgment of Hon'ble High Court of Orissa dated 24.12.2010 in WP(C) No. 6781/2008 filed by Lagnajit Ray & others vrs State & Others, the Resolution No.10237 dtd.20.03.2002 of GA Department has been quashed and various Departments under Government have recast the gradation list implementing " Catch up rules".

Committee of Board on HR matter in their 19th meeting held on 24.02.2012 considered the above issue in OPTCL context and recommended to implement catch up principle. The matter was also placed to the BoD in their 56th & 57th meeting for consideration.

The Board of Directors in its 58th meeting held on 01.08.2013 having regard to the judgment of Hon'ble High Court of Orissa approved for modification of the existing rules in the matter of fixation of inter-se-seniority of SC / ST officers promoted earlier vis-à-vis General / SEBC candidates promoted later in the following manner:

"If a candidate belonging to the Scheduled Caste or Scheduled Tribe is promoted to an immediate higher post/ grade against a reserved vacancy earlier than his senior General/ SEBC candidate who is promoted later to said immediate higher grade, the General/ SEBC candidate will regain his seniority over such earlier promoted candidates of Scheduled Caste or Scheduled Tribe in the immediate higher post/grade."

In terms of decision of the Board to recast the senority list based on the above principle, the provisional gradation lists of Electrical Engineers & Telecom Engineers in the grade of E-5 & below are hereby recast and being circulated for information and necessary action of all concerned.

Objections/ suggestions if any are hereby invited from the concerned officers and to be submitted to AGM(HRD)-III, Executive Establishment within 30 (thirty) days from issue of this order for consideration. The objections to be received will be duly considered and disposed off in a fair & transparent manner.

The provisional gradation lists indicating relative position of the concerned officer are also available in OPTCL website for information of all concerned. The final gradation lists of Electrical & Telecom Engineers shall be published after consideration & disposal of objections/ suggestions.

By order of the BoD,

DIRECTOR (HRD)
