NOTICE TO VENDORS

NOTICE NO.SR.GM-CPC-VENDOR- 50 / (2021-22)

For and on behalf of ODISHA POWER TRANSMISSION CORPORATION LTD, S.G.M. [C.P.C.] invites Applications from reputed manufacturers or authorised dealers of the manufacturers (only when Original Equipment Manufacturers do not have direct marketing for their products) to get their firm registered in the **Vendor list** of **OPTCL** to supply materials/equipment to the contractors awarded with turnkey projects. Interested firms would be required to apply online as per the details available at OPTCL's official web site <http://www.optcl.co.in> & <https://www.vendors.optcl.co.in>. The closing date of receipt of such application in the requisite format is **30.06.2026 upto 5.30pm**

N.B:-

- All subsequent addendums/corrigendum to this notice shall be hosted in the OPTCL's official web site <http://www.optcl.co.in> only.
- Further details, if any, may be obtained from SGM, CPC, OPTCL, Janpath, Bhubaneswar during working hours or can contact Helpdesk No. 9438908100.

CHIEF GENERAL MANAGER [C.P.C.]

INFORMATIONS TO VENDORS

- 1) The Firms interested to get themselves enrolled in the vendor list of the OPTCL's vendor list are required to apply in online mode, along with the required supporting documents and vendors registration fee (**Non-refundable**) to be submitted on or before the due date as prescribed in this notification failing which their application for registration as approved vendors are liable to be cancelled. An user manual will be uploaded on OPTCL website.
- 2) This enrolment of the firms as approved vendors is solely for the purpose of awarding eligibility to such vendors for supplying materials to the contractors
- 3) (a) The new applicants are required to deposit **non-refundable** application fee for vendor registration @ of **Rs. 50,000.00 + GST @ 18%** (SAC code-999799) for one item to be enlisted in the approved vendor list, in the shape of DD drawn in favour of "**D.D.O., Head Quarters, OPTCL**", **payable at Bhubaneswar**.

(b) The vendors already in the approved vendor list of OPTCL (Vendor enlistment valid up to 31.04.2026) are also required to deposit **non-refundable** application fee for vendor registration @ **Rs.40,000.00 + GST @ 18%** (SAC code-999799) for one item in the shape of DD drawn in favour of "**D.D.O., Head Quarters, OPTCL**", **payable at Bhubaneswar** with necessary credentials, on or before the due date as prescribed in this notification.

{N.B.-The application fee once paid will not be refunded, if their application will get rejected or not considered for vendor enlistment}
- 4) The enrolment of such vendors as approved vendors of OPTCL would be valid upto **31.12.2028**.

N.B.- Existing Vendors shall be out rightly rejected if adverse performance reports are received from the field units of OPTCL regarding poor quality of materials supplied/multiple equipment failure and the name of such Vendors shall be deleted from the Vendor list of OPTCL.

- 5) Vendors are required to apply **only for the items specified** in the list of materials / equipment enclosed as Annexure-A (**N.B:-The items name mentioned in application should be as per item name of Annexure-A,**

otherwise the said application shall be out rightly rejected without any intimation with forfeiture of application fees).

- 6) (a) *Equipment* of different capacities applied under one item shall be treated as one item. However, equipment of different capacities applied under one item but in different times shall be treated as separate items, for which separate application fees is required to submit.
(b) Materials of different capacity or rating or size applied under one item shall be treated as one item. However, materials of different capacity or rating or size applied under one item but in different times shall be treated as separate items, for which separate application fees is required to submit.
- 7) **Factory Inspection will be carried out (if required) for successful firms for final assessment for enlistment of vendor.**
- 8) Dispute if any arises out of this registration shall be taken up and resolved by the vendor committee with the concurrence of the CMD, OPTCL and the decision shall be final.
- 9) The vendor should have been registered under GST act etc.
- 10) No application shall be entertained beyond the closing date stipulated for such registration. unless and otherwise the receiving date extended. ***Incomplete applications, not complying with the instructions are liable for rejection and no further correspondence on the subject shall be entertained.***
- 11) OPTCL reserves the right to accept, consider or reject any or all applications without assigning any reasons thereof.
- 12) Mere registering as a vendor does not entitle the registered entity towards any claim for award of work/purchase order.
- 13) Vendor applications so received shall be scrutinized monthly.

Minimum qualifying criteria

- a) The firm shall be the manufacturer/ Channel partner for Equipment including Testing Equipment and Authorised dealers for Cement and Steel (only when Original Manufacturers do not have direct marketing for their products) of the offered material/equipment for which Vendor enlistment is sought.
- b) (i) The vendors shall have manufacturer as well as supply experience of the rated capacity/ version of **equipment** for a minimum period of 3 (three) years as on the last date of submission of application. (Latest authenticated and complete PO/ W.O copies along with annexure to be submitted). In special case if the firm have submitted the credentials of higher capacity than the capacity they opted for may be deliberated in the committee for acceptance.

- (ii) The vendors shall have manufacturer as well as supply experience of the **material** for a minimum period of 3 (three) years as on the last date of submission of application. (Latest authenticated and complete PO/ W.O copies along with annexure to be submitted). In special case if the firm have submitted the credentials of higher capacity/ grade than the item they opted for may be deliberated in the committee for acceptance.
- c) (i) The rated equipment should have at least 2 (two) years of successful performance from the date of commissioning and such commissioning has to be done within 5 years as on the date of application.. Such Performance certificate must have been issued within last three years of the last date of submission of this application. At least one such Performance certificates submitted shall be issued from Govt. of India /State Govt.(s) or their undertakings/ reputed Private Generating Company or transmission Companies. (NB:- **Two years of successful performance certificate means the gap between the date of commissioning and date of issue of performance certificate should be minimum 2 years**). Each performance certificate should be attached with detailed PO/ WO and commissioning certificate.
- (ii) The materials should have at least one years of successful performance from the date of commissioning and such commissioning has to be done within last 5 years as on the date of application. At least one such Performance certificates submitted shall be issued from Govt. of India/State Govt.(s) or their undertakings/ reputed Private Generating Company or transmission Companies.
- d) The vendor should have conducted type tests as per relevant I.S. (IEC for which IS is not available) on the offered material/ equipment (Where applicable) from NABL Accredited Testing Laboratory within 5years (or as per CEA guidelines) from the last date of submission of this application.
- e) I/We, on behalf of the firm/company M/s..... declare that we do not **have any litigation/ debarment/ blacklisting or arbitration with OPTCL/ NCLT .**

The firm should certify / declare the same in unequivocal terms by way of an affidavit duly sworn before a Magistrate or a Notary. Documents furnished by the firm shall not be eligible for consideration if it is not accompanied by the affidavit. Further, the approval shall be liable for outright rejection/ cancellation at any stage if any information contrary to the affidavit/ declaration is detected.
