- 21 The amount put to tender is inclusive of 1% Cess, which will be adjusted during payment of bills.
- 22 Additional Performance Security shall be obtained from the bidder before drawl of agreement. He has to submit the Additional Performance Security for the amount as detailed below in shape of **National Saving Certificate/Kisan Vikash Patra/Post Office Savings Bank Account/ Post Office Time Deposit Account/ Deposit Receipt of Schedule Bank duly pledged in favour of the Superintending Engineer (Civil), Civil Works Circle, OPTCL, Bhubaneswar.**

The extant provisions of threshold negative bid caps (14.99%) introduced in Appendix-IX, Clause 36 of OPWD Code Volume-II in the procurement of works undertaken by the Govt of Odisha and its agencies to ensure the procurement process results in a viable and successful manner with adoption following incremental Additional Performance Security(APS) system:

Additional performance security shall be taken on an incremental basis from the selected bidder for low bid prices in the project works as under:

I. where the bid price is below 0% but not below 10% of the project cost put to bid, no additional performance guarantee/security percentage is required.

II. where the bid price is below 10% but not below 20% of the project cost put to bid, the additional performance guarantee/security percentage shall be incremented by 0.1% for every percentage of bid price below 10% of the project cost put to bid starting at 11% with the additional bid performance guarantee being 0.1% and this additional performance guarantee percentage shall be applied on the bid price;

III. where the bid price is 20% or more below of the project cost put to bid, the additional performance guarantee percentage shall be incremented by 0.2% for every percentage of bid price below 20% of the project cost put to bid in addition to 1% of the bid price and this additional performance guarantee percentage shall be applied on the bid price;

IV. The additional performance guarantee percentage shall be rounded off to the next lower percentage based on whether the decimal point of the percentage of bid price is below 0.5% or next higher percentage based on whether the decimal point of the percentage of bid price is 0.5% or more.

V. The additional performance security shall be treated as part of the performance security.

VI. Justification for abnormally low bids shall be scrutinized by the Departmental Technical Committee and recommended to the competent authority of the Administrative Department for the approval of the Additional Performance Security(APS). An abnormally low bid is one in which the Bid price, in combination with other elements of the Bid, appears so low that it raises material concerns as to the capability of the Bidder to perform the contract at the offered price. Procuring Entity may, in such cases, seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document., If, after evaluating the price analyses, the procuring entity determines that the Bidder

has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity may reject the Bid/ Proposal. However, it would not be advisable to fix a normative percentage below the estimated cost, which would automatically be considered as an abnormally low bid.

- 23 *ISD (Initial Security Deposit) value is 1% of the bid amount and is to be deposited by the contractor before drawl/ signing of the agreement in the shape of **National Saving Certificate/Kisan Vikash Patra/Post Office Savings Bank Account/ Post Office Time Deposit Account/ Deposit Receipt of Schedule Bank duly pledged in favour of the Superintending Engineer (Civil), Civil Works Circle, OPTCL, Bhubaneswar.***
- 24 *Exemption holder like SC/ST contractors should submit attested copy of caste certificates and an application for rate preference and for availing the facilities. The Security Deposit (Earnest Money, Initial Security and Performance Security) at half the usual rate may be deposited/ realised by/ from the Scheduled Caste or Scheduled Tribe Contractors coming under the categories up to 'B' Class only as against the prescribed percentage.*
- 25 *Other details can be seen in the bid documents. The authority reserves the right to reject any or all the tenders without assigning any reason thereof.*
