 12. The authority reserves the right to reject the lowest or any other tender or all tender without assigning any reason what-so-ever.
 13. Offers should be neatly typed without any overwriting and corrections. In case of any correction, the same should be authenticated with signature of the authorized person.
1. In the event of discrepancy or arithmetical error in the bid, the decision of the purchaser shall be final and binding on the tenderer.
 2. For evaluation, the price mentioned in words shall be taken, if there is any difference in figure and words in the price bid.
 16. Conditional tender shall not be accepted and no discount other than the quoted price will be allowed as mentioned in the original offer.
 17. The tenderers are advised to visit the site and make themselves acquainted with the site conditions before submission of tender.
 18. Tenders shall be kept valid for a minimum period of 120 days from the date of opening of tender.
 19. If the tender documents/specification will be downloaded from OPTCL web site for which Rs.6,720/- only including GST @ 12% will be deposited in the shape of demand draft drawn in favour of "EHT (C) Circle, OPTCL, Bhubaneswar" and to be furnished the same separately with the tender specification.

**General Manager(Ele.)
EHT (C) Circle, Bhubaneswar**

Section-II
GENERAL CONDITIONS OF CONTRACT

1. DEFINITION OF TERMS:

In writing these General Conditions of Contract, the specification and bill of quantity, the following words shall have the meanings hereby indicated, unless there is something in the subject matter or content inconsistent with such construction.

“OPTCL” shall mean the Odisha Power Transmission Corporation Limited represented through the General Manager (Elect.), E.H.T. (C) Circle, Qr.No.C-5/1, GRIDCO Colony, Bhoingar, Bhubaneswar – 751 022.

“The Engineer in charge” shall mean the Engineer or Engineers authorized by the General Manager (Elect.), E.H.T. (C) Circle, Qr.No.C-5/1, GRIDCO Colony, Bhoingar, Bhubaneswar – 751 022 for the purpose of this contract.

“OPTCL Engineer” shall mean any Engineering person or personnel authorized by the OPTCL to supervise and inspect the survey work.

“The Contractor” shall mean the successful bidder awarded with the contract or their successors and permitted assigns.

“Contract Price” shall mean the sum named in or calculated in accordance with the provisions of the contract as the contract price.

“General Conditions” shall mean these General Conditions of Contract.

“Specification” shall mean the specification annexed to these General Conditions of contract and shall include the schedules and drawings attached thereto or issued to the contract as well as all samples and patterns, if any.

“Month” shall mean calendar month.

“Writing” shall include any manuscript, type written, printed or other statement reproduced in any visible form whether under seal or under hand.

The term “Contract” shall mean and include the General Conditions, specifications, schedules, drawings, work orders / purchase Orders issued against the contract, schedule of price or the final general conditions, any special conditions applying to the particular contract specification and drawings and agreement to be entered into. Terms and conditions not herein defined shall have the same meaning as are assigned to them in the Indian Contract Act falling that in the Orissa General Clauses Act

2. **SCOPE OF CONTRACT :** The job covers Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur. The contractor has to arrange all required men and materials at his own cost to complete the above mentioned job.
3. **DETAILS OF THE JOBS TO BE TAKEN UP WITH SUPPLY OF ALL REQUIRED MATERIAL, LABOUR AND T&P's ETC:**

Detail survey for ascertaining the feasible route, identifying the underground utilities by making ground penetration method survey, identifying the utilities over the ground (Land schedule) preparation of the detailed marking on topo sheet, preparation of the route alignment map, submission of ground profile and survey report for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur.
- 4 **NATURE OF PRICE:** The price quoted should be firm and should not be varied in any manner which is inclusive of all taxes and duties and inclusive of GST.
- 5 **RATE:** The tenders are instructed to quote their rates in price schedule enclosed with the specification. The rates quoted should be legibly written without any overwriting both in figures and words to avoid confusion.
6. **PAYING AUTHORITY:** DGM (Elect.), EHT (C) Division, Berhampur.
7. **CONSIGNEE & SUPERVISING OFFICER:**

SDO (Elect.) EHT (C) Sub-Division, Berhampur will be the consignee and supervising officer for the aforesaid work.
- 8 **TERMS OF PAYMENT:** 100% payment will be made by the paying officer after deduction of statutory taxes and duties upon presentation of bills in triplicate and due certification by the consignee with satisfactory performance of survey work.
- 9 **REGISTRATION CERTIFICATE:** The Agency/ firm has to furnish the copy of the PAN, GSTIN REGISTRATION, certificate of registration of firms with experience details in the name of the firm along with tender document.
10. **MANNER OF EXECUTION:**
 - 10.1 Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur shall be carried out in an approved manner as outlined in the technical specification or where not outlined, in accordance with relevant Indian Standard Specification, to the reasonable satisfaction of the Engineer in Charge.
 - 10.2 The Agency/ firm shall within 7 days after the date of acceptance of Work Order / Purchase Order, submit to the Engineer, a detail program for the supply of materials & execution of work for his consent. The agency shall whenever required by the Engineer also provide in writing for his information the general description of the arrangements and methods which the agency/ firm proposes to adopt for the execution of the work.
 - 10.3 If at any time it should appear to the Engineer that the actual progress of works does not conform to the program to which consent has been given under sub-clause-3.2, the firm shall produce at the request of the Engineer a revised program showing the modification to such program necessary to ensure completion of the works within the time of completion.

11. VARIATION, ADDITIONS & OMISSIONS:

The OPTCL shall have the right to alter, amend, omit or otherwise vary the quantum of modification work by notice in writing to the agency / firm. The agency / firm shall carry out such variation in accordance with the rates specified in the contract so far as they may apply and where such rates are not available; those will be mutually agreed between the OPTCL and the contractor.

12. INSPECTION DURING ERECTION:

The Engineer- in-charge or his authorized representative (s) shall be entitled at all reasonable times to inspect and supervise the Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur. Such inspection will not release the agency / firm from their obligations under this contract, to perform as per specification and standard. Advance intimation must be given to Engineer-in-charge whenever it is needed prior to execution of work.

13. COMPLETION OF WORK:

Time being the essence of contract, the Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur must be completed within 90 days from the issue of the Work Order and instruction of Engineer in Charge.

14. CONTRACTORS DEFAULT LIABILITY:

The OPTCL may upon written notice of default to the agency / firm terminate the contract in circumstances detailed hereunder.

- (a) if, in the judgment of the OPTCL the agency / firm fails the Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur within the time specified in the contract agreement or within the period for which the OPTCL has granted extension to the contractor.
- (b) If, in the judgment of the OPTCL the contractor fails to comply with any of the provisions of this contract.
- (c) In the event OPTCL terminates the contract in whole or in part as provided in paragraph (a) & (b) above, OPTCL reserves the right to engage another contractor or agency upon such terms and in such a manner as he may deem appropriate and the agency will be liable to the OPTCL for any additional costs as may be required for Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur and/or for penalty for delay as defined under this contract until such reasonable time as may be required for the final completion of the above work.
- (d) In the event OPTCL does not terminate the contract as provided in paragraph (a) & (b) above, the contractor shall continue the performance of the contract in which case he shall be liable to the OPTCL for penalty for delay as set out in this contract until the supply of materials work is completed.

15. FORCE MAJEURE:

The contractor shall not be liable for any penalty for delay or for failure to perform the contract for reasons of FORCE MAJEURE such as acts of God, acts of public enemy, acts of Government, cyclone, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes provided that the contractor / firm shall within 10 (ten) days from the beginning of such delay notify the OPTCL in writing of the cause of delay. The OPTCL shall verify the facts and grant such extension as facts justify.

16. REJECTION OF WORKS:

In the event of any of the material supplied / work done by the agency / firm is found defective in material or workmanship or otherwise not in conformity with the requirement of this contract specification, the OPTCL shall either reject the material and/or work and request the agency / firm to rectify the same. The contractor on receipt of such notices rectify or replace the defective material and rectifies the work, free of cost. If the contractor fails to do so the OPTCL may,

- (a) at its option replace or rectify such defective materials and/or work and recover the extra cost so involved from the agency plus fifteen percent from the agency and/or
- (b) terminate the contract for balance work/supplies with enforcement of penalty as per contract.

Defective materials/workmanship will not be accepted under any condition and shall be rejected outright without compensation. The contractor shall be liable for any loss/damage sustained by OPTCL.

17. EXTENSION OF TIME:

If the completion of Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur is delayed due to reason beyond the control of the contractor, the contractor shall without delay give notice to the OPTCL in writing of his claim for an extension of time. The OPTCL on receipt of such notice may agree to extend the contract delivery date of the work as may be reasonable but without prejudice to other terms and conditions of the contract.

18. TERMS OF PAYMENT:

The contractor/ agency shall present the final bill after completion of the work being duly inspected and verified by OPTCL Engineer-in-charge or his authorized representative. 100% value of the work done shall be paid within a period of one month on presentation of the final bills & furnishing of security deposit as per Clause-20 of this Work Order. Taxes & duties as applicable will be deducted from the bills at the time of releasing the payment. No running bill is permitted.

Deputy General Manager (Elect.), E.H.T. Construction Division, Berhampur shall be the Paying Officer for this work.

19. LIQUIDATED DAMAGE FOR DELAY IN COMPLETION OF CONTRACT:

If the agency / firm fails to complete the work within the completion period specified in the work order or any extension granted thereto, the OPTCL shall recover from the contractor as penalty a sum of half of one percent (0.5%) of the contract price of the uncompleted portion of the work for each calendar week of delay. For this purpose, the date of taking over shall be reckoned as the date of completion. The total penalty shall not exceed 5% (five per cent) of the contract price of the uncompleted portion of work.

20. SECURITY DEPOSIT FOR CONTRACT PERFORMANCE:

- i. The bidders are requested to submit Security Deposit @3% of contract value, in shape of demand draft/ B.G. drawn in favour of the concerned paying officer at the time of execution of agreement. The B.G. format shall be supplied by OPTCL.
- ii. No interest is payable on any kind of Security deposit.
- iii. The security deposit shall be refunded only after successful execution of contract and after adjustment of any dues.
- iv. The security deposit should be submitted separately to the paying authority.

21. PAYMENT DUE FROM THE CONTRACTOR:

All costs of damages for which the contractor/ agency is liable to the purchaser will be deducted by the purchaser from any money due to the contractor/ agency under the contract.

22. JURISDICTION OF THE HIGH COURT OF ORISSA:

Suits, if any, arising out of this contract shall be filed by either party in a Court of Law to which the jurisdiction of the High Court of Odisha extends.

23. CONTRACTORS RESPONSIBILITY:

23.1 Notwithstanding anything mentioned in the specification or subsequent approval or acceptance of the survey work by OPTCL, the ultimate responsibility for satisfactory performance of the work shall rest with the contractor.

24 RESPONSIBILITY TO RECTIFY THE LOSS AND DAMAGE:

If any loss or damage happens to the work or any part thereof or materials / plant/ equipment for incorporation therein during the period of execution, contractor / firm is responsible for the same and shall at his own cost rectify / replace such loss or damage, so that the permanent work conforms in every respect with the provision of the contract to the satisfaction of the Engineer. The contractor shall also be liable for any loss or damage to the work / equipment caused by him in course of any operation carried out by him during performing the contract.

25. NON-ASSIGNMENTS:

The agency /firm shall not assign or transfer the work orders issued as per this contract or any part thereof to anyone else without the prior approval of OPTCL.

26. CERTIFICATES NOT TO AFFECT RIGHTS OF OPTCL:

The issuance of any certificate by OPTCL or any extension of time granted by OPTCL shall not prejudice the rights of OPTCL in terms of the contract nor shall this relieve the contractor of his obligations for due performance of the contract.

27. SETTLEMENT OF DISPUTES:

27.1 Except as otherwise specifically provided in the contract, all disputes concerning question of fact arising under the contract shall be decided by OPTCL provided a written appeal by the agency /contractor is made to OPTCL. The decision of OPTCL shall be final to the parties hereto.

27.2 Any disputes or difference including those considered as such by only one of the parties arising out of or in connection with this contract shall be to the extent possible be settled amicably between the parties. If amicable settlement cannot be reached then all disputed issues shall be settled by Arbitration as provided in this contract.

28. ARBITRATION:

28.1 If at any time any question, dispute or difference whatsoever arises between the OPTCL and the contractor, upon or in relation to or in connection with this contract, either party may forthwith give to the other a notice in writing of the existence of such question, disputes or difference and the same shall be referred to the adjudication of three arbitrators, one to be nominated by OPTCL, the other by the contractor and the third by the President of the Institution of Engineers, India. If either of the parties fails to appoint its arbitrator, within sixty (60) days after receipt of notice for the appointment of its arbitrator then the President

of the Institution of Engineers, India shall have the power at the request of either of the parties to appoint an Arbitrator. A certified copy of the "President" making such an appointment shall be furnished to both parties.

28.2 The arbitration shall be conducted in accordance with the provisions of Indian Arbitration Act, 1940 or any statutory modification thereof and shall be held at such place and time in India as the Arbitrators may determine. The decision of the majority of Arbitrators shall be final and binding upon the parties hereto and the expenses of the arbitration shall be paid as may be determined by the Arbitrators.

28.3 Performance under the contract shall if reasonably possible continue during the arbitration proceedings and payments due to the contractor by OPTCL shall not be withheld unless they are the subject matter of the arbitration proceedings.

29. LAWS GOVERNING CONTRACT:

The contract shall be constructed according to and subject to the Laws of India and jurisdiction of the Courts of Odisha.

30. LANGUAGE AND MEASURES:

All documents pertaining to the Contract including specifications, schedules, notices, correspondence, operating and maintenance instruction, drawings or any other writings shall be written in English language. The metric system of measurement shall be used exclusively in this contract.

31. CORRESPONDENCE:

31.1 Any notice to the contractor/firm under the terms of the contract shall be served by registered mail or by hand to the authorized local representative of the agency and copy by post to the agency /firms principal place of business.

31.2 Any notice to OPTCL shall be served to the General Manager (Elect.), EHT (C) Circle, Qr.No.C-5/1, GRIDCO Colony, Bhoinagar, Bhubaneswar -751 022 in the same manner.

32. SECRECY:

The contractor shall treat the details of the specification and other documents as private confidential and they shall not be reproduced without written authorization from OPTCL.

33. AGREEMENT:

The successful agency /firm shall have to enter into an agreement with the concerned Engineer-in-charge in the approved contract agreement form within 10 days of the receipt of the individual work order in the prescribed format on the non-judicial stamp paper of worth Rs.50/- (Rupees Fifty) only.

34. PENALTY FOR DELAY IN COMPLETION OF CONTRACT: If the agency /firm fails to provide service as per the contract, an amount twice the calculated daily billed amount for the period of non-providing services, will be deducted from the monthly bills or by encashment of security deposit(if required) of the agency. The unsatisfactory performance for a period of continuous two months will be liable for termination of contract with forfeiture of security deposit/ BG relating to that office and the agreement of other offices will also be terminated with one month notice.

35. RECOVERY FROM THE AGENCY /FIRM: The agency is fully responsible and liable for any loss or damage of equipment / materials of OPTCL. Full cost of damages caused to equipments/materials of OPTCL during execution of work will be recovered from the monthly bills/ or by encashment of security deposit.

36. SUPPLY OF MATERIAL: All required men and materials to be used for Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur shall be supplied by the contractor/ agency.

- 37. OUTRIGHT REJECTION OF TENDERS:** - The tenders shall be liable for outright rejection if the following have not been complied.
- a. Tenderers should have purchased the tender specification from the office of the G.M., EHT (C) Circle, Bhubaneswar in his own or Firm's name/download the specification from OPTCL web site.
 - b. Tenders shall be submitted in person or by Registered post with A.D. and received before the time fixed for receipt of tender.
 - c. Tenders shall not be submitted telegraphically or by e-mail.
 - d. Tenders shall be kept valid for a minimum of 120 days from the date of opening of the tender.
 - e. Tenders shall be accompanied with clear valid attested Xerox copy of GSTIN registration, PAN card, registration of firms and experience which must be valid on the date of opening of the tender. All copies of documents and each page of the tender must be signed by the authorized representative of the bidders.
 - f. The tender shall not be conditional
 - g. Tenders shall be submitted in duplicate
 - h. The tenderers shall have filled the information at Section-IV with Annexures and price schedule of this tender specification.
38. If awarded the contractor/ agency has to acknowledge acceptance of the work order within 07 (seven) days from the date of issue as a token of acceptance and consent to carry out the work as per the terms and condition laid as in work order/ tender specification with a understanding of the literally meaning of all the terms of conditions in the Tender specification and submit the required Bank Guarantee within 07 days (seven) from the date of issue of this work order.

N.B.: Supply of required T&P, materials and execution of works at the site will be done as per the instruction of the Engineer-in-charge.

SECTION-III

TECHNICAL SPECIFICATION

Preliminary Survey:

The route alignment shall be plotted on Survey of India topographical maps to the scale of 1 cm= 0.5 Km (1:50,000). All topographical details including all railway lines, rivers, canals, roads up to 8 Kms. on either side of the route of transmission lines shall be written in capital letters only. Alignment shall be plotted on the map with North being clearly indicated on each drawing.

For convenience in handling, each drawings shall be restricted to the standard 'Survey of India Topo-sheet size with 30mm overlaps between the sheet. The match line shall be clearly shown on each sheet

The bidder should note that Employer will not furnish the topographical maps prepared by Survey of India but will make available any assistance that may be required in obtaining the topographical maps

Three copies of the route alignment drawings & survey reports along with all other information, shall be furnished in a report form to the General Manager (Elect.), EHT (C) Circle, OPTCL, Bhubaneswar for approval through concerned Dy. General Manager & S.D.O. After approval the Contractor/ agency shall submit six more sets of the approved survey report along with one set of reproducible of final route alignment drawings to the General Manager (Elect.) for approval.

Detailed survey:

Clearing for survey: - Immediately after the General Manager (Elect.) has approved the line routes as determined by the preliminary survey, the Contractor will arrange for clearing to commence to allow the ground profile survey to proceed with the minimum of delay. The Contractor Shall finalize and submit proposals for all obligatory points within 1 (one) month from the date of Letter Of Award. These obligatory points shall include all the river crossings, railway crossings, power line crossings, forest areas or any other important crossings encountered in the transmission line route.

TECHNICAL SPECIFICATION FOR TAKING UP THE SURVEY OF EHT LINES:

1. Each angle point should have 5nos. of concrete pillars.
2. Each major road crossing should have 2nos. of concrete pillars.
3. Each Railway crossing should have 2nos. of concrete pillar. In every 500 meters, there should be a concrete pillar.
4. In angle point center Peg should be marked with a letter 'C' having Circle with a dot at the center with the help of Red paint.
5. The direction Peg should be marked with a letter 'D' having a arrow showing the direction with the help of Blue paint.
6. The type of soil encountered during survey should be demarcated on the profile.
7. The thick plantation of trees, homestead land should be avoided as far as possible. In case of forestland it Should be avoided completely as far as practicable.

8. The size of concrete pillars should be (150 X 150 X 400) mm. with a small hole at the top center.
9. The R.L. (Reduced Level) may be calculated in respect to the available Benchmark fixed by Survey of India. This can be done by making fly level from the fixed B.M. to the starting point of our survey.
10. The separate profile of each Railway crossing, 132/220 KV crossing should be submitted.
11. Each small Nalas should be demarcated in the body of profile.
12. The H.F.L. should be demarcated in the profile.

The ground profiles (Longitudinal sections) with strip route plans are to be prepared by the agency for the complete route length, generally in accordance with the requirements of IS: 5613 and this Specification The scale shall be 1:2000 horizontal' and 1:200 vertical. [n addition to showing the line route ground line, the following features, where applicable, shall be shown:

- continuous longitudinal chainage
- ground line
- indication of side slopes where these affect clearances (account being taken of conductor under wind loaded conditions).
- all the numbered pegs identifying the supply points and the towers locations, For each peg the plan will show partial and progressive distances and elevation
- buildings, rivers, roads, power and telecommunication lines, railways and other obstacles to be crossed, including where necessary ,details to confirm the required electrical clearances are obtained
- vegetation and nature of ground
- distances from center line of route to forest hand, groves and orchards
- land schedulings for forest stretches

Special crossings profile such as Railway crossing, EHT line crossing & river crossing should be prepared in a separate profile showing the crossing span including before span & next span.

Land Schedule: Preparation of land schedule on revenue maps indicating alignment therein duly authenticated by Revenue Inspector and Tahasildar, enumeration of trees with the help of forest officers and other prominent features required for alignment of line. Revenue maps shall be collected by the Contractor. Minimum 3 copies of land schedule should be furnished for approval.

Detail Survey works to be carried out:

Detail survey for construction of 132KV UG cabling from 220/132/33KV Grid sub-station, Narendrapur to 132/33KV Grid sub-station, Berhampur.

Detailed survey for ascertaining feasible route, identifying the underground utilities by making ground penetration method survey, identifying the utilities over the ground, preparation of land schedule, preparation of the detail marking on topo sheet, preparation of the route alignment map, submission of ground profile and survey report

The detail scope of works for execution of the above works also includes.

1. Detail survey of the proposed UG cable route (Two option)
2. Preparation of proposed cable route profile showing HDD and open cast portion
3. Preparation of drawing for cable laying
4. Joint bay design
5. Cable trench design
6. Modification in dead end towers (If required)
7. Preparation of BoQ
8. Cables over bridges, cable crossing open drains with long span, road crossings, footpath cutting

All the works assigned to be done as per instruction of Engineer-in-charge & as per technical specification.

General Manager (Elect.)
E.H.T. Construction, Circle, BBSR.
